PHCU's 2022

ANNUAL MEETING RECAP

PHCU's Annual Meeting was held on February 1, 2022 online. President, Hansel Hart, discussed the current financial condition, took a look into the past year, and discussed upcoming news for 2022.

More than 120 people registered for this year's event! Door prizes were given to the first 25 people who registered and attended, and random drawings were held for additional prizes- 15 Visa gift cards in the amount of \$25, \$50 or \$100! Thank you to everyone who attended, and congratulations to all of our winners!

The election of the Credit Union volunteers was held in accordance with the procedures and requirements established by the Bylaws of Palmetto Health Credit Union. Below are the volunteers elected in 2022.

IRA WITHHOLDING

Payments from your IRA are subject to federal income tax withholdings unless you elect "No Withholding." You may change your withholding election at any time prior to your receipt of a payment. To change your withholding election, please complete the appropriate form provided by Palmetto Health Credit Union.

Withholding from IRA payments, when combined with other withholding, may relieve you from payment of estimated income taxes. However, your withholding election does not affect the amount of income tax you pay. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are insufficient.

This financial institution does not give tax advice. Consult your tax advisor for information specific to your situation.

Give Blood,

SAVE A LIFE

PHCU helps make a difference.

According to the American Red Cross, we are in the middle of a blood shortage crisis. Thankfully, Prisma Health has been faithful in hosting numerous blood drives across South Carolina, and with PHCU's help, has had great success recruiting donors.

In 2021, PHCU donated over \$10,000 in gift cards and grand prizes, and we look forward to partnering with Prisma Health again in 2022 to help ensure the blood drives continue to be successful.

In February alone, Prisma Health campuses hosted five blood drives receiving nearly 200 donations and saving almost 600 lives!

There are numerous blood drives scheduled in the coming months, and we hope you will consider donating, whether you're a first-time giver, or a lifelong donor.
